(Carl Koch Conflict of Interest Decision by URA

Mr. Edward J. Logue  
Development Administrator  
Boston Redevelopment Authority  
1108 City Hall Annex  
Boston 8, Massachusetts

APR 30 1963

Dear Mr. Logue:

Subject: Project No. Mass. R-24  
Washington Park  
Boston, Massachusetts  
Conflict of Interest Laws  
Carl Koch, Architect

In reply to your letter of April 12, 1963 regarding possible violation of conflict of interest laws regarding Carl Koch, architect for Notre Dame Academy Houses, please be advised of the following:

Since all work to be performed by Mr. Koch for Washington Park Project has been completed, no interest would be present which could conflict in any manner or degree with his services to your Authority for this project. Thus, no conflict within the purview of Section 16 of Part II of the Third Party Contract would exist and no waiver of this provision would be necessary.

However, as to the question of the applicability of the new State of Massachusetts conflicts of interest law, the decision must be based upon consideration of pertinent state statutes including Chapter 779 of the Acts of 1962 which takes effect May 1, 1963. It is, therefore, suggested that your Authority seek an opinion of the Attorney General and Corporation Counsel as to the applicability of Chapter 779 to this and related situations.

Sincerely yours,

*Anne M. Roberts*
